Apple Home Smart Room

Smart Room Package - Product Technical Sheet

A smart-room package built around Apple Home: HomePod mini for Siri control, a Zemismart M1 Matter hub, smart lighting control, IR appliance control, a door sensor and a smart door lock. This sheet lists the technical data of each product included in the package.

6 Products
Voice, hub, lighting, IR, sensing and access.

6 Units in Total
One unit of each product.

Apple Home
HomePod mini with the M1 Matter hub.

Package Contents

#	Product	Quantity
1	Apple HomePod mini	1 unit
2	Zemismart M1 Matter Hub	1 unit
3	Avera Zigbee Switch - 4 Gang Black	1 unit
4	Zemismart ZXMiR-02 IR Bridge	1 unit
5	AVATTO Zigbee Door Sensor	1 unit
6	Zemismart A270-Z Smart Door Lock	1 unit

Note: Apple Home visibility of Zigbee devices depends on the M1 bridge support for each device and function.

PRODUCT 01 OF 06

Apple HomePod mini

Quantity in package: 1

Product and Application

A compact smart speaker for Siri voice commands, music and compatible Apple Home scenes. Intercom sends voice messages between supported Apple devices.

Key Features

- Siri voice control
- 360-degree audio
- Apple Music and AirPlay
- Home hub for compatible HomeKit and Matter devices

Technical Data

Item	Specification
Brand / type	Apple / Smart speaker
Voice assistant	Siri
Audio	360-degree audio
Smart home	Apple HomeKit / Matter
Streaming	AirPlay / Apple Music
Communication	Intercom
Integration	iPhone / iPad / Mac / Apple TV
Colours	Black / White / Yellow
Warranty	1 year

> **Installation and Compatibility:** Requires a compatible Apple device, Apple account, network and continuous power. Only supported devices and functions appear in Apple Home.

PRODUCT 02 OF 06

Zemismart M1 Matter Hub

Quantity in package: 1

Product and Application

A multi-protocol gateway connecting supported Zigbee and Thread products to compatible Matter platforms, including Apple Home.

Key Features

- Centralizes supported switches and sensors
- Creates scenes and schedules
- Uses wired LAN
- Supports family sharing and Siri after platform setup

Technical Data

Item	Specification
Brand / model	Zemismart / M1
Protocols	Zigbee 3.0 / Thread / Matter
Apps	Tuya Smart / Smart Life
Platforms	Apple Home / Google Home
Network	RJ45 LAN
Voice control	Siri / Google Assistant
Housing	Flame-retardant plastic
SKU	4000609
Warranty	2 years

Installation and Compatibility: Use Ethernet and continuous power. Check support for each device and function before adding it to Apple Home.

PRODUCT 03 OF 06

Avera Zigbee Switch - 4 Gang Black

Quantity in package: 1

Product and Application

A wall-mounted glass touch switch for independent on/off control of four lighting circuits in the room.

Key Features

- Touch, app and supported voice control
- LED indicators
- Lighting schedules
- Arrival, bedtime and leaving-home scenes

Technical Data

Item	Specification
Brand	Avera
Variant	4 Gang / Black
Protocol	Zigbee
Circuits	4 independent on/off channels
Operation	Touch / App / Voice
Voltage	220 V
Wattage	600 W
Material / mounting	Glass / Wall mount
Warranty	2 years

Installation and Compatibility: Requires a compatible gateway. Check wiring, wall-box fit and allowable load; 600 W is not specified per channel. Apple Home support depends on M1 bridge support.

PRODUCT 04 OF 06

Zemismart ZXMiR-02 IR Bridge

Quantity in package: 1

Product and Application

A Zigbee infrared controller for compatible air conditioners, TVs, receivers and other appliances operated by IR remotes.

Key Features

- App control, scheduling and scenes
- DIY remote-command learning
- Apple Home integration through compatible Zemismart M1/M6 hubs

Technical Data

Item	Specification
Brand / model	Zemismart / ZXMiR-02
Communication	Zigbee
Apps	Tuya Smart / Smart Life
IR frequency	38 kHz
Power input	DC 5V / 1A - USB
Dimensions	70 x 70 x 28 mm
Temperature	-10 to 45 °C
SKU	3000312
Warranty	2 years

Installation and Compatibility: Requires continuous USB power and a compatible hub. Place with a clear IR path to appliances. Supported Apple Home appliance functions depend on the bridge; IR commands do not guarantee actual-state feedback.

PRODUCT 05 OF 06

AVATTO Zigbee Door Sensor

Quantity in package: 1

Product and Application

A two-piece contact sensor monitoring open/closed status for doors, windows, drawers and cabinets.

Key Features

- Open/close notifications
- Tamper/removal alerts
- Low-battery notifications
- Family sharing and sensor-triggered lighting scenes

Technical Data

Item	Specification
Brand	AVATTO
Type	Door / Window contact sensor
Communication	Zigbee
Apps	Tuya Smart / Smart Life
Gateway	Compatible Zigbee hub required
Alerts	Open / Close / Tamper / Low battery
Mounting	Adhesive - no drilling
Closed sensor gap	Less than 10 mm
SKU / warranty	3000234 / 5 years

Installation and Compatibility: Align both parts and maintain a gap below 10 mm when closed. Apple Home visibility depends on M1 support for this sensor.

PRODUCT 06 OF 06

Zemismart A270-Z Smart Door Lock

Quantity in package: 1

Product and Application

A Tuya Zigbee electronic door lock offering fingerprint, PIN, IC card, mechanical key and app access.

Key Features

- Built-in doorbell
- Backlit touch keypad
- Fingerprint reader on handle
- Removable rechargeable battery
- Remote unlock is available only while the lock is awake, according to the manufacturer

Technical Data

Item	Specification
Brand / model	Zemismart / A270-Z
Protocol	Tuya Zigbee
Unlock methods	Fingerprint / PIN / IC card / Key / App
Apps	Tuya Smart / Smart Life
Doorbell / keypad	Built-in / Backlit touch
Battery	Removable rechargeable Li-ion pack
Charging	microUSB
Colours	Black / Silver
Door fit	Selected mortise / latch variant

> **Installation and Compatibility:** Check door thickness, direction and mortise dimensions before installation. No declared IP rating: the manufacturer states it is unsuitable outdoors. Direct Apple Home support is not confirmed; verify the exact model with the bridge.
