

Zemismart Zigbee Hub T1

Quantity in package: 2

PRODUCT AND APPLICATION

A wired gateway for compatible Tuya Zigbee devices, lighting, sensors and automation across duplex zones.

FEATURES AND ROLE IN THE PACKAGE

Groups compatible devices in one app for centralized control. Create arrival and bedtime scenes, schedules and sensor-triggered actions. Wired Ethernet connects each gateway to the home network; distribute the two units according to floor layout and device coverage.

TECHNICAL DATA

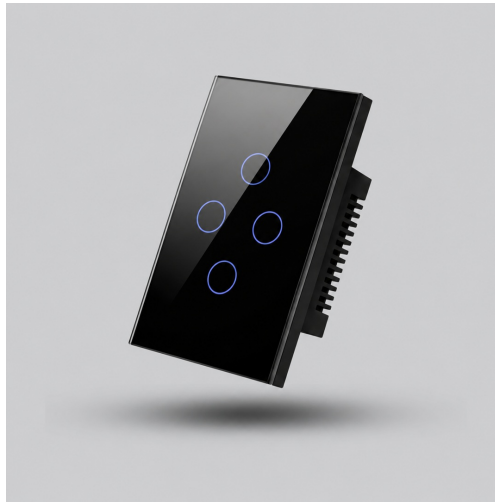

Brand / model	Zemismart / T1
Protocol	Zigbee
Network	Ethernet 10/100 Mbps
Power input	DC 5V / 1A
Approx. dimensions	98 x 98 x 22 mm
Apps	Tuya Smart / Smart Life
Devices	Switches / lights / curtains / sensors / plugs
Functions	Central control / scenes / schedules / automation

INSTALLATION AND COMPATIBILITY

Requires Ethernet and continuous power. Position both hubs according to the site and device layout. Apple Home or Matter support is not confirmed for this T1 listing; a compatible bridge is needed if Apple Home integration is required.

Avera Zigbee Switch - 4 Gang Flat

Quantity in package: 15

PRODUCT AND APPLICATION

A glass touch switch with four independent lighting circuits. The 15 supplied switches can control up to 60 circuits, depending on wiring.

FEATURES AND ROLE IN THE PACKAGE

Operate each circuit from the touch panel or app. Create daily schedules and arrival, bedtime or leaving-home scenes. Share access with family and add lighting to Alexa routines through a compatible configured integration.

TECHNICAL DATA

Brand	Avera
Version	4 Gang Flat - four independent circuits
Protocol	Zigbee
Listed voltage	220V
Listed wattage	600W; confirm supplied variant
Front panel	Glass touch panel
Apps	Tuya Smart / Smart Life
Operation	Touch / app / compatible voice control
Integration	Amazon Alexa / Google Home

INSTALLATION AND COMPATIBILITY

Check per-circuit load limits, wiring, neutral requirements and wall-box fit in the supplied manual. Requires a compatible Zigbee gateway.

Tuya Zigbee Smart Gas Leak Detector

Quantity in package: 1

PRODUCT AND APPLICATION

Gas-leak monitoring with a local audible alarm and phone notifications through a compatible gateway.

FEATURES AND ROLE IN THE PACKAGE

Combines an in-room alarm with phone alerts. A compatible valve can be included in a tested shutoff automation. Intended for gas-use areas; the supported gas and mounting position must follow the supplied detector manual.

TECHNICAL DATA

Communication	Zigbee; compatible gateway required
Apps	Tuya Smart / Smart Life
Listed gas types	Natural gas / LPG
Published alarm threshold	6% LEL for methane CH ₄
Audible alarm	70 dB at 1 metre
Material	ABS
Operating temperature	-10 to +50 C
Humidity	Up to 95% RH
Plug	EU / US / AU, depending on variant

INSTALLATION AND COMPATIBILITY

Choose the mounting position using the supplied manual and gas type. Supply voltage is not stated on the Aura page; check the device label. Valve shutoff needs configuration and an actual functional test.

Tuya Zigbee Smart Valve Controller

Quantity in package: 1

PRODUCT AND APPLICATION

Motorized operation of a suitable existing water or gas valve, with app control and automation.

FEATURES AND ROLE IN THE PACKAGE

Moves the handle of a suitable existing valve without replacing the pipework. Open or close through the app, a timer or a configured scene. Useful for water management or a tested gas-safety response.

TECHNICAL DATA

Protocol	Zigbee 3.0
Power supply	DC 12V
Listed current	1A
Torque	30-60 kg.cm
Insulation resistance	Greater than 20 MOhm
Operating temperature	-10 to +50 C
Apps	Tuya Smart / Smart Life
Operation	Manual / automatic / schedule / app
Box contents	Valve controller + EU power adapter

INSTALLATION AND COMPATIBILITY

Check handle size, torque, mounting clearance and travel. A compatible Zigbee gateway is required. Gas-related automation must be configured and functionally tested after installation.

Tuya Zigbee IR Remote Control

Quantity in package: 2

PRODUCT AND APPLICATION

Adds compatible IR air conditioners, TVs and other remote-controlled appliances to app control. Two units serve different floors or zones.

FEATURES AND ROLE IN THE PACKAGE

Combine traditional remote-controlled appliances with smart scenes, such as preparing the AC before arrival or turning off the TV at bedtime. Position the two controllers according to appliance locations and obstacles.

TECHNICAL DATA

Brand	Tuya
Listed models	ZS06 / ZS08; variant-dependent
Protocol	Zigbee 3.0
IR frequency	38 kHz
Listed range	Up to 12 m; conditions apply
Power input	DC 5V / 1A
App	Smart Life
Integration	Amazon Alexa / Google Home
Appliances	Compatible IR ACs / TVs / other appliances

INSTALLATION AND COMPATIBILITY

Requires continuous power, a compatible Zigbee gateway and a suitable IR path. Available commands depend on the appliance and remote profile. IR transmission does not confirm actual appliance state.

Catchface K2 Cateye Smart Lock

Quantity in package: 1

PRODUCT AND APPLICATION

An automatic main-door lock with 3D facial recognition, fingerprint access, a built-in cateye camera and an indoor display for visitor monitoring.

FEATURES AND ROLE IN THE PACKAGE

Offers several access methods for residents and guests, with a mechanical key available for emergencies. The camera and two-way video function help you see and speak with visitors. The indoor screen complements app-based access management.

TECHNICAL DATA

Brand / model	Catchface / K2 Cateye
Access methods	3D face / fingerprint / PIN / card / key / app
Camera / communication	Built-in camera / two-way video calls
Display	High-resolution indoor screen; size not listed
Credential capacity	300 credentials; 100 fingerprint users
Listed recognition speed	0.3 seconds
Listed battery capacity	5000 mAh
Door thickness	40-120 mm
Material / cylinder	Alloy / C-Level security cylinder
App	Tuya Smart

INSTALLATION AND COMPATIBILITY

Check lock-body fit, cutouts, opening direction and door type before installation. App and video functions require network and account setup; follow the supplied charging and power instructions.

Amazon Echo Show 8

Quantity in package: 1

PRODUCT AND APPLICATION

An 8-inch Alexa touchscreen and voice interface for video calls, compatible camera monitoring, entertainment and smart-home control.

FEATURES AND ROLE IN THE PACKAGE

Play music and content, view news and weather, make video calls and use Drop In or household announcements. Run configured Alexa routines and view compatible cameras. A built-in camera shutter supports privacy.

TECHNICAL DATA

Brand / assistant	Amazon / Alexa
Display	8-inch HD touchscreen
Camera	13MP with built-in privacy shutter
Smart-home hub	Zigbee / Matter / Thread Border Router
Wi-Fi	Dual-band 802.11 a/b/g/n/ac
Audio	2 x 2-inch speakers + passive bass radiator
Processor	Octa-core / Amazon AZ2
Dimensions / weight	200 x 139 x 106 mm / 1034 g
Bluetooth	A2DP / AVRCP

INSTALLATION AND COMPATIBILITY

Specifications refer to the 8-inch package version. Requires Wi-Fi, an Amazon account and Alexa setup. Tuya device control depends on the configured integration; Zigbee support does not guarantee all-device compatibility.
