

Zigbee Smart Hub Gateway

Quantity in package: 1

PRODUCT AND APPLICATION

A central smart gateway that connects and manages compatible Zigbee devices in the room through one system.

KEY FEATURES

Connects compatible Zigbee devices; Tuya Smart / Smart Life management; smart scenes and schedules; Alexa and Google Home voice control for supported devices.

TECHNICAL DATA

Product type	Zigbee Smart Hub Gateway
Protocol	Zigbee
Apps	Tuya Smart / Smart Life
Operating systems	Android / iOS
Voice control	Amazon Alexa / Google Home
Device capacity	Up to 128 compatible Zigbee devices
Response	Ultra-low latency
Listed warranty	5 years

INSTALLATION AND COMPATIBILITY

Requires continuous power and a compatible network/app setup. Final compatibility of every Zigbee device should be checked before installation.

Avera Zigbee Smart Light Switch - 4 Gang

Quantity in package: 1

PRODUCT AND APPLICATION

A glass touch wall switch for smart control of four independent lighting circuits from the switch, app or supported voice assistant.

KEY FEATURES

4-gang lighting control; Zigbee connection; touch, app and voice operation; LED indicators; scenes and schedules; black or white variants.

TECHNICAL DATA

Brand	Avera
Product type	Zigbee Smart Wall Switch
Package version	4 Gang
Protocol	Zigbee
Control	Touch / App / Voice
Operating voltage	220 V
Listed wattage	600 W
Material	Glass
Compatibility	Amazon Alexa / Google Home
Colours	Black / White

INSTALLATION AND COMPATIBILITY

The package uses the 4-gang version. Check wall-box dimensions, wiring and connected load before installation. A compatible Zigbee hub is required.

Tuya Zigbee IR Remote Control

Quantity in package: 1

PRODUCT AND APPLICATION

A Zigbee infrared controller that brings compatible air conditioners, TVs, receivers and other IR appliances into the smart-room system.

KEY FEATURES

Zigbee 3.0; 38 kHz infrared; Smart Life / Tuya control; scenes and schedules; Alexa and Google Home support through a compatible setup; IR range up to about 12 m.

TECHNICAL DATA

Brand	Tuya
Models	ZS06 / ZS08
Protocol	Zigbee 3.0
App	Smart Life
Power	DC 5 V / 1 A
IR frequency	38 kHz
IR range	Up to 12 m
Zigbee standard	IEEE 802.15.4
Operating temperature	0 C - 55 C
Listed warranty	2 years

INSTALLATION AND COMPATIBILITY

Requires a compatible Zigbee hub and continuous 5 V power. Place it where infrared signals have a clear path to the controlled appliances.

Amazon Echo Pop

Quantity in package: 1

PRODUCT AND APPLICATION

A compact Alexa smart speaker for voice control, music and everyday smart-home commands in bedrooms and smaller spaces.

KEY FEATURES

Alexa voice control; 1.95-inch front-firing speaker; dual-band Wi-Fi; Bluetooth; Matter and Bluetooth LE Mesh support; microphone-off privacy button.

TECHNICAL DATA

Brand	Amazon
Product type	Smart Speaker
Voice assistant	Alexa
Speaker	1.95 in front-firing
Wi-Fi	2.4 / 5 GHz
Bluetooth	Supported
Smart home	Matter / Bluetooth LE Mesh
Dimensions	99 x 83 x 91 mm
Weight	196 g
Colours	Black / Mint / Purple
Listed warranty	1 year

INSTALLATION AND COMPATIBILITY

Requires Wi-Fi, an Amazon account and continuous power. Smart-home functions depend on the compatibility of the connected devices and services.

CatchFace K01 Smart Lock

Quantity in package: 1

PRODUCT AND APPLICATION

A Wi-Fi smart door lock with multiple entry methods and Tuya / Smart Life management for access control and opening records.

KEY FEATURES

App, fingerprint, PIN, RFID/M1 card and mechanical-key access; temporary passwords; anti-peeping PIN; up to 100 fingerprints and 200 cards; emergency Micro USB power.

TECHNICAL DATA

Brand	CatchFace
Model	K01
Connection	Wi-Fi
Apps	Tuya / Smart Life
Unlocking	App / Fingerprint / PIN / RFID-M1 / Key
Temporary password	Supported
Fingerprint capacity	Up to 100
Card capacity	Up to 200
Power	4 x AA batteries
Emergency power	Micro USB
Listed warranty	2 years

INSTALLATION AND COMPATIBILITY

This lock uses Wi-Fi, not Zigbee. Door thickness, opening direction and lock-body compatibility must be checked before installation.

SONOFF SNZB-04 Door / Window Sensor

Quantity in package: 1

PRODUCT AND APPLICATION

A Zigbee contact sensor that monitors whether a door or window is open or closed and can trigger alerts and compatible smart scenes.

KEY FEATURES

Zigbee 3.0; open/close status; tamper alert; CR2477 battery; battery life up to 5 years; installation gap up to 20 mm; compatible voice integration through the system.

TECHNICAL DATA

Brand	SONOFF
Model	SNZB-04
Product type	Door / Window Sensor
Protocol	Zigbee 3.0
Battery	CR2477
Battery life	Up to 5 years
Installation gap	Up to 20 mm
Alerts	Open / Close / Tamper
Voice	Alexa / Google Home
Requirement	Compatible Zigbee hub required

INSTALLATION AND COMPATIBILITY

Mount the two sensor parts in alignment and within the supported gap. Confirm compatibility with the selected Zigbee hub before using it in shared scenes.
