

Apple HomePod mini

Quantity in package: 1

PRODUCT AND APPLICATION

A compact smart speaker for Siri voice commands, music and compatible Apple Home scenes. Intercom sends voice messages between supported Apple devices.

KEY FEATURES

Siri voice control; 360-degree audio; Apple Music and AirPlay; home hub for compatible HomeKit and Matter devices.

TECHNICAL DATA

Brand / type	Apple / Smart speaker
Voice assistant	Siri
Audio	360-degree audio
Smart home	Apple HomeKit / Matter
Streaming	AirPlay / Apple Music
Communication	Intercom
Integration	iPhone / iPad / Mac / Apple TV
Listed colours	Black / White / Yellow
Listed warranty	1 year

INSTALLATION AND COMPATIBILITY

Requires a compatible Apple device, Apple account, network and continuous power. Only supported devices and functions appear in Apple Home.

Zemismart M1 Matter Hub

Quantity in package: 1

Supplied reference image - verify model and variant

PRODUCT AND APPLICATION

A multi-protocol gateway connecting supported Zigbee and Thread products to compatible Matter platforms, including Apple Home.

KEY FEATURES

Centralizes supported switches and sensors; creates scenes and schedules; uses wired LAN; supports family sharing and Siri after platform setup.

TECHNICAL DATA

Brand / model	Zemismart / M1
Protocols	Zigbee 3.0 / Thread / Matter
Apps	Tuya Smart / Smart Life
Platforms	Apple Home / Google Home
Network	RJ45 LAN
Voice control	Siri / Google Assistant
Housing	Flame-retardant plastic
SKU	4000609
Listed warranty	2 years

INSTALLATION AND COMPATIBILITY

Use Ethernet and continuous power. Check support for each device and function before adding it to Apple Home. This is the M1 model, not T1.

Avera Zigbee Switch - 4 Gang Black

Quantity in package: 1

Supplied reference image - verify model and variant

PRODUCT AND APPLICATION

A wall-mounted glass touch switch for independent on/off control of four lighting circuits in the room.

KEY FEATURES

Touch, app and supported voice control; LED indicators; lighting schedules; arrival, bedtime and leaving-home scenes.

TECHNICAL DATA

Brand	Avera
Selected variant	4 Gang / Black
Protocol	Zigbee
Circuits	4 independent on/off channels
Operation	Touch / App / Voice
Listed voltage	220 V
Listed wattage	600 W - listing value
Material / mounting	Glass / Wall mount
Listed warranty	2 years

INSTALLATION AND COMPATIBILITY

Requires a compatible gateway. Check wiring, wall-box fit and allowable load for the supplied variant; the listing does not define 600 W per channel. Apple Home support depends on M1 bridge support.

Zemismart ZXMIR-02 IR Bridge

Quantity in package: 1

PRODUCT AND APPLICATION

A Zigbee infrared controller for compatible air conditioners, TVs, receivers and other appliances operated by IR remotes.

KEY FEATURES

App control, scheduling and scenes; DIY remote-command learning. Apple Home integration is listed through compatible Zemismart M1/M6 hubs.

TECHNICAL DATA

Brand / model	Zemismart / ZXMIR-02
Communication	Zigbee
Apps	Tuya Smart / Smart Life
IR frequency	38 kHz
Power input	DC 5V / 1A - USB
Dimensions	70 x 70 x 28 mm
Temperature	-10 to 45 C
SKU	3000312
Listed warranty	2 years

INSTALLATION AND COMPATIBILITY

Requires continuous USB power and a compatible hub. Place with a clear IR path to appliances. Supported Apple Home appliance functions depend on the bridge; IR commands do not guarantee actual-state feedback.

AVATTO Zigbee Door Sensor

Quantity in package: 1

PRODUCT AND APPLICATION

A two-piece contact sensor monitoring open/closed status for doors, windows, drawers and cabinets.

KEY FEATURES

Open/close notifications; tamper/removal alerts; low-battery notifications; family sharing and sensor-triggered lighting scenes.

TECHNICAL DATA

Brand	AVATTO
Type	Door / Window contact sensor
Communication	Zigbee
Apps	Tuya Smart / Smart Life
Gateway	Compatible Zigbee hub required
Alerts	Open / Close / Tamper / Low battery
Mounting	Adhesive - no drilling
Closed sensor gap	Less than 10 mm
SKU / warranty	3000234 / 5 years

INSTALLATION AND COMPATIBILITY

Align both parts and maintain a gap below 10 mm when closed. Battery type and dimensions are not specified on the listing. Apple Home visibility depends on M1 support for this sensor.

Zemismart A270-Z Smart Door Lock

Quantity in package: 1

PRODUCT AND APPLICATION

A Tuya Zigbee electronic door lock offering fingerprint, PIN, IC card, mechanical key and app access.

KEY FEATURES

Built-in doorbell; backlit touch keypad; fingerprint reader on handle; removable rechargeable battery. Remote unlock is available only while the lock is awake, according to the manufacturer.

TECHNICAL DATA

Brand / model	Zemismart / A270-Z
Protocol	Tuya Zigbee
Unlock methods	Fingerprint / PIN / IC card / Key / App
Apps	Tuya Smart / Smart Life
Doorbell / keypad	Built-in / Backlit touch
Battery	Removable rechargeable Li-ion pack
Charging	microUSB
Colours	Black / Silver
Door fit	Selected mortise / latch variant

INSTALLATION AND COMPATIBILITY

Check door thickness, direction and mortise dimensions before installation. No declared IP rating; manufacturer states it is unsuitable outdoors. Direct Apple Home support is not confirmed; verify the exact model with the bridge.
