Tuya Zigbee Smart Plug 16A

Smart Plug - Zigbee 3.0, 16A

A Tuya smart plug that brings compatible electrical appliances into your smart home system. It connects over Zigbee 3.0 as part of a compatible Zigbee network and is managed from the Tuya Smart or Smart Life app, for easier control of the appliances plugged into it.

16 A Current

Plug current rating of 16 A at 240V AC.

Zigbee 3.0

Works as part of a compatible Zigbee network for home automation.

App Control

Managed from Tuya Smart or Smart Life within a compatible Tuya Zigbee system.

Zigbee 3.0 | Tuya Smart | Smart Life | 16 A | 240V AC | Indoor Use

Key Features

Smart Appliance Control

Adds compatible electrical appliances to the smart home system and makes the devices connected to the plug easier to control.

Zigbee Connection

Based on the Zigbee protocol and designed to work as part of a compatible Zigbee network, so it integrates with compatible home-automation devices.

Tuya Smart

Manage the plug and the appliances connected to it through the Tuya Smart ecosystem.

Smart Life

The plug also supports the Smart Life ecosystem for controlling connected appliances.
